### **The Classic Hendricks & Tonic (Scotland)**

*Perfectly paired with Fever-Tree Indian Tonic Water and sliced cucumber*

Initially known for its unusual quirk, Hendricks has become one of the world's favourite small batch gins, being produced in miniscule amounts of 500 litres or less. Hendricks is distilled in two different rare stills and then combined and infused with their signature delicious duet of rose petals and cucumber creating a fresh, floral gin with a silky-smooth texture. Perfect for first timers and gin lovers alike.

### **Brookie's Byron Dry Gin (Byron Bay)**

*Perfectly paired with Fever-Tree Mediterranean Tonic with fresh raspberries*

Made in the hinterland of Byron Bay from a plethora of native rainforest botanicals including finger limes, aniseed myrtle, ribberries & native raspberry. It's The flavour of the Northern Rivers.

### **Humpybong Gin (Brisbane)**

*Perfectly paired with Fever-Tree Naturally Light Tonic (no garnish needed)*

Brisbane's first registered distillery in 140 years. With strong lime and juniper flavours on the front of the palate and a light spice in the mid, The Harvest becomes strikingly different with a lingering, light and complex anise flavour on the back palate.

### **Malfy Gin (Italy)**

*Perfectly paired With East Imperial Grapefruit Tonic and a wedge of lime*

Malfy Gin's key botanical additions are lemon peels sourced from the Italian coastline, steeped in alcohol and basket pressed. The infusion is blended with juniper and 5 other botanicals. It's the taste of the Italian coast line.

### **Jinzu (British with a Japanese twist)**

*Perfectly paired with Fever-Tree Light Tonic and a wedge of green Apple*

Created to blend the flavour of British Gin with the delicate flavour of cherry blossom and yuzu citrus fruit, it is then finished with smooth Japanese Sake.

**Young Henrys Noble Cut (Sydney)**

*Perfectly paired with East Imperial Yuzu Tonic and coriander*

The base of this gin is 100% grain - no additives, adjuncts or agents, the uniquely Australian pepperberry and bush tomato are included. A highly aromatic, highly complex and altogether unique take on the London Dry style of gin.

**BLOOM Premium (London Dry Gin)**

*Perfectly paired with Fever-Tree Naturally Light Tonic and fresh strawberries*

Bloom is not quite like any other premium gin. It is a light, delicate and floral gin with a totally unique, slightly sweet taste created by a bespoke blend of 3 botanicals: honeysuckle, chamomile and pomelo.

**West Winds the Sabre (Margaret River)**

*Perfectly paired with Fever-Tree Mediterranean Tonic and a wedge of capsicum*

Unashamedly classic, West Winds Sabre is an expression of traditional gin incorporating strong undercurrents of citrus and 12 spices and botanicals.
